

NEW TRIAL DATE!

NEW LOCATION!!

OPAC is pleased to announce that our spring trial will be held at the Andrews County Expo (ACE) Arena in Andrews, Texas.

The ACE Arena is fully air conditioned with a 300'x150' dirt arena. The arena is well equipped with dirt preparation equipment and we expect to have excellent dirt for this two ring, (mostly) one judge AKC trial.

The ACE Arena can accommodate 54 RVs with full hook ups (water, electric and lights) and an on-site dump station for \$22/night. Hotel information will be in the premium.

This trial will be April 27, 28, and 29, 2012. Friday will have an afternoon start but will still offer all levels in Standard and JWW. T2B will also be offered all three days. Sunday's judge for novice and open will be Catherine Clifton, creating all-in-one trial titling opportunities.

Our judge will be **Jan Skurzynksi**.

Please make plans to join us! We know you have other options in trialing that weekend, but we hope you'll give our new trial a chance!
